

## Pembroke Hill Transportation Interest Form 2023-24 School Year

Pembroke Hill School currently offers a fee based, before and after school transportation service for three areas of the Kansas City metro area: Northland (Liberty, KC, Gladstone, Parkville), South (Leawood), and Southwest (Overland Park – west to Antioch Road). The service is contracted by PHS through Roundabout Transportation and students are driven in 15-passenger vans equipped with seatbelts. Rates for the three existing routes range between \$1,090 - \$1,675 per semester for round-trip and between \$685 - \$1,045 per semester for one-way service, with discounts for siblings.

PHS is exploring the possibility of adding additional routes based on interest from families. If this is of interest for your student(s), please complete the form below and return to the business office at 400 W. 51<sup>st</sup> Street, KCMO 64112 or [businessoffice@pembrokehill.org](mailto:businessoffice@pembrokehill.org) by **March 1, 2023**.

If enough interest is generated to add routes, you will be contacted by the business office no later than April 15, 2023 with details of centralized stop locations, times of pick-up and drop-off, and cost of round-trip and one-way service, along with a separate transportation contract.

This interest form alone does not obligate you to sign a transportation contract, nor should it be construed as a guarantee that routes will be added.

Please contact me with questions. We look forward to hearing from you.

Sandy Smith  
Director of Finance

Student name(s): \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_

I am interested in my student riding a fee based before and/or after school route between PHS campuses and the following area:

☐

East of PHS (Raytown, Lee's Summit, Independence, Blue Springs area)

☐

West of PHS (Shawnee, DeSoto, Olathe area)
