Steven J. Bellis, Ed.D.
Head of School

September 7, 2017

Pembroke Hill Board of Trustees,

I am writing to inform you that 2018-19 will be my last year as head of school. It has been a tremendous privilege to serve Pembroke Hill. I am grateful to the many people whose courage, wisdom, generosity, good cheer and kindness have made much positive change possible and helped to sustain me, personally.

I have been fortunate to have had two extraordinary professional careers - fifteen years in the business world and what will be eighteen at Pembroke Hill. Each has been interesting, challenging and immensely rewarding. At age 54, I believe I have at least one more endeavor ahead that will utilize all I have learned to make a positive difference in the world.

This school – its students, staff, traditions and values – is very important to me. My commitment to our shared work has never been greater. There is much still to be accomplished. I am looking forward to seeing what we will do together over the next two years.

Here's to the promise of children!
